#### ABOUT REEKIE ROOFING

## A trusted name in *North East* roofing.

For homeowners, landlords and commercial clients across Aberdeen and Aberdeenshire, Reekie Roofing has built its reputation on one principle: do the job properly the first time.

Our work spans traditional Scottish slate, modern tile systems, EPDM and GRP flat roofs, lead detail and storm-damage repair. Every project is led by a directly-employed team — no subcontractor relay chains, no surprises on the invoice.

- ✓ Directly employed, vetted craftsmen
- ✓ Full public liability insurance

- ✓ Written, fixed-price quotations
  - ✓ 10-year workmanship guarantee
- 

## OUR SERVICES

# Comprehensive roofing, *delivered to specification.*

From single-tile repairs to full commercial reroofs, our service portfolio covers every requirement of the modern Scottish property.

01

## Roof Repairs & Maintenance

Leak diagnosis, slipped or missing tiles, ridge re-bedding, lead flashing, storm damage. Rapid response, precise execution, no upselling.

**DISCUSS YOUR REPAIR →**

**02**

## Full Roof Replacements

Complete strip-and-reroof in natural slate, concrete or clay tile. Modern breathable membrane, upgraded insulation, structural repair where required.

STANDARDS YOU CAN TRUST

#### WHY REEKIE ROOFING

**Standards built into *every project*,  
from quotation to handover.**

---

### **01. Transparent, Fixed Quotations**

Detailed written quotes with itemised materials and labour. No hidden extras, no inflated change orders mid-project.

---

## **02. Directly Employed Teams**

No subcontractor relay chains. The team that quotes the job is the team that delivers it — accountable, end to end.

---

## **03. Compliant & Insured**

Full public liability cover, current health & safety compliance, scaffold-trained operatives. Documentation supplied on request.

---

## **04. Workmanship Guaranteed**

Every installation backed by a 10-year workmanship guarantee — separate to and in addition to all manufacturer product warranties.

---

*Reekie Roofing reroofed our 1930s property to an exceptional standard. Quoted accurately, started on the agreed date, finished early, and cleared the site immaculately. The level of professionalism is rare in this trade.*
